DECEMBER NEWSLETTER

Christmas Week & Adult Participation Week

On December 15-19, 2025 we encourage all of our students to invite ONE adult (parent, grandparent, older sibling, etc.) to participate with them in all of their dance classes (except Acrobatics and Competition Team). Dancers are allowed to dress in their favorite holiday attire (a festive comfortable outfit or pajamas) with proper dance shoes for class! Adult participants may dress in Christmas attire as well OR just wear anything comfortable with barefeet or tennis shoes. We cannot wait to make fun memories together in the classroom!

ATTENDANCE AT DANCE:

We strongly encourage all dancers to attend every class as often as possible so that no one falls behind with their technique, training, and recital choreography!

NOTE ABOUT RECITAL:

Dancers who miss too many days and fall behind in recital choreography will be pulled from parts of the routine or all of the routine as it affects the entire class when one is absent. Practice videos are always sent out and are a great source for practicing before the next class day to catch up on what was missed. We will supply one warning before following through with this necessary step.

DECEMBER REMINDERS

- **Poppin' Popcorn Fundraiser Credit:** If your dancer participated in this virtual fundraiser please know that your studio credit has been applied to your account.
- **Lost and Found:** We encourage dancers and / or parents to look through the lost and found to confirm your child hasn't misplaced any items inside. (Located in the white laundry basket inside of the snack room in the middle of the long hallway). Everything that is still inside the lost and found at the end of December will be donated.
- **Encourage Your Dancer(s):** We kindly ask parents to support their dancer's growth by encouraging them to put in extra effort both in and outside the studio. Your interest in your child's dance education is crucial to their success. By stretching, reviewing class material, and practicing recital choreography (once taught), dancers can take their skills to new heights and reach their full potential. Your involvement and encouragement can make all the difference in their progress!
